

FAA-E-2343
AMENDMENT-1
March 24, 1970

DEPARTMENT OF TRANSPORTATION FEDERAL AVIATION ADMINISTRATION SPECIFICATION

SWITCHING SYSTEM, AUDIO AND CONTROL

This amendment forms a part of FAA-E-2343 dated 26 March 1968.

Page 4, Paragraph 3.5.3: Delete the text and substitute the following:
"All relays shall be the same and have a minimum of 5 Form C contacts.
There shall be four relays on each relay transfer panel (Figure 2).
The relays shall be Automatic Electric Company, Class H, or C. P. Clare
Company, type LBP or equal. Each relay shall be complete with a wired
assembly socket, cover and cover clip."
